Dear St. Peter Families,

As you are by now aware, the Ohio legislature and Governor DeWine have passed a budget bill which is very beneficial to the parents in Ohio who choose Catholic Schools for their children. The EdChoice Expansion Scholarship program is now universal, meaning that **all families** qualify for some level of support to meet the tuition requirements of the school of their choice.

The amount of funding a parent receives is on a sliding scale and based on the Adjusted Gross Income of the family. We encourage all of you to apply for this and any other scholarships for which you are eligible. Attached is the EdChoice application and income verification form for anyone who still wishes to apply.

As some of you may still need financial assistance to meet your tuition obligation, St. Peter Tuition Angel funds will be made available to all families upon application. The maximum award for the 2023-2024 school year will be \$3500 per child. The application is attached and will also be available on our school web site and in the school office. Please complete the application by August 31st.

We understand that these changes can seem confusing, so please feel free to reach out to me if you have any questions. Thank you for choosing St. Peter School for your family.

Blessings,

Brittany Craddolph
