### **Free & Reduced Priced Meals**

Applications for the Federal Lunch Program will be sent out to your child/children. Families may apply for the program by filling out the necessary forms. If you feel you qualify, please fill out the form and return it to the school as soon as possible. This helps with funding for St Peter School. If you participated in the free and reduced lunch program last school year, your child/children will continue to be on the program for the first 30 days. Please fill out the application correctly and completely. If you have any questions about the application, please contact the school.

**\*\*This is important to fill out, because it also helps provide federal funding for our school. It is not only for free and reduced meals.**

### **Concerning charges**

As a parent, it is your responsibility to provide your child with lunch money or a packed lunch.

Due to our vending situation, we also ask that if your child/children come

**AFTER 8:30 AM to please pack their lunch** to ensure we have enough food for those who ordered.

**Sending money to school**

When sending money to school, please send the money in an envelope and put the child/children's name and grade on it. We ask that you send checks if possible, as this keeps money from being lost. If you are paying for more than one child, you may send check/money in one envelope. Just print each child's name and grade on the envelope.

**\*\*Please send lunch money in a different envelope, separate from book fees/tuition and extended day**
