

## **Cafeteria Volunteer Information 2025-2026**

We are once again reaching out for cafeteria volunteers. It is a great way to help out the school and spend time with students in a casual setting. The kids love interacting with the parents, grandparents and family members who assist during lunch!

**Health and Safety requirements:** All volunteers must be VIRTUS trained per Diocese (contact the school office). All volunteers should pull their hair back and must wear a hairnet (provided) or a clean hat. Hands must be washed with soap in the designated sink prior to serving food. Gloves must be worn and should be put on just before serving food to avoid contamination and must be changed after washing tables prior to the next lunch period.

**Cafeteria Volunteer duties:**

**Time: 11:00-12:15** approximately

Serve food to students

Monitor students in the cafeteria

Wash tables and sweep floors after each lunch period.

\*When monitoring students, please encourage them to eat the meal provided, use inside voices, clean up after themselves, and remain seated until they are dismissed.

Please email Melissa Rall at [mrall@stpeterupper.com](mailto:mrall@stpeterupper.com) to sign up or fill out the form below if you are able to assist as a cafeteria volunteer.

We appreciate our volunteers! Thank you!

**(If you are already on the list, you do not need to fill out again)**
